

ROBERT W. SACOFF RECEIVES AIPPI AWARD OF MERIT

We are proud to announce that AIPPI presented its Award of Merit to our partner Bob Sacoff at its 2016 World IP Congress in Milan, Italy. AIPPI, the Association Internationale pour la Protection de la Propriété Intellectuelle, was founded in 1897. It is a politically neutral professional association based in Zurich, Switzerland, with over 9,000 members in more than 100 countries. The award recognizes Bob's contributions to AIPPI's work to develop and improve intellectual property laws around the world. Bob is the seventh U.S. lawyer to receive the award in the 19 years since it was established. Bob is also the third Pattishall McAuliffe attorney to be honored by the organization, after Beverly W. Pattishall, AIPPI Member of Honor, 1985, and Jeremiah D. McAuliffe, AIPPI Award of Merit, 1997.
