

Pattishall, McAuliffe was recognized by *Managing Intellectual Property* as a U.S. top tier firm

April 8, 2009

Pattishall, McAuliffe was recognized by *Managing Intellectual Property* as a U.S. top tier firm for **trademark prosecution** and **copyright law**. Pattishall, McAuliffe was also nominated for recognition in the area of trademark litigation. The results were based on extensive interviews with peers and clients and were the culmination of MIP's World IP Survey.

The firm is extremely gratified to be recognized by peers and clients in its exclusive practice of trademark, copyright, unfair competition, design patent and advertising law.
